### Gippsland Business Awards finalists breakfast

The 2022 Federation University Gippsland Business Awards finalists were honoured and their selection celebrated a special breakfast on Friday 5 August 2022.

This year's 43 finalists from across Gippsland and represent the region's most innovative, enthusiastic, professional and outstanding businesses, according to Gippsland Business Awards committee chairperson, Graeme Sennett.

"It is fantastic to see our finalists come together and share their experiences and knowledge with other businesspeople," Mr Sennett said.

"As well as the opportunity for reflection on their own business success, the Federation University Gippsland Business Awards Telstra Finalist Breakfast provides a great opportunity for our finalists to meet with their peers from right across the region."

Mr Sennett told those attending the awards were fortunate to have the support of both Federation Business School as naming rights sponsor and Telstra, sponsor of this year's finalists' breakfast.

The 11 finalist categories include Accommodation, Beauty and Personal Care, Business and Professional Services, Food & Wine Producers, Health and Wellbeing, Hospitality, Manufacturing/Export, Mechanical Trades and Construction, New Business, Retail, Tourism Activities and Attractions.

Each of the category winners will be announced at the gala presentation evening on Friday 26 August at Federation University in Churchill.
